

Summer Reading Activities

Hi, summer reading time-

Please read five fine books of your choice over the summer. A variety of books is strongly suggested, i.e. fiction, non-fiction, mystery, biography, historical etc. Once you have finished your book please complete the attached form. Also, using your favorite book please make a diorama portraying your favorite part of the book! There is an example of a diorama attached.

Your summer reading activity sheet and diorama are due on the first day of school. Have a wonderful summer – Happy Reading! 😊

Mrs. Winston

P.S. Your local library should have a summer reading list appropriate for each grade level and reading ability.
